

## **BEST Practices in the college**

- 1. Maintenance of Mobile/Laptops:** Maintenance and repairing of Mobile/Laptops is done free of cost for the students and if the hardware problem is major then the college bears the cost.
- 2. Regular Health Check-Up:** Regular health checkup (BP, Sugar, HB etc.) of college students is done monthly. The students those who are suffering from malnutrition, then diet chart is provided by the Home science Department of college.
