Subject: Request for publicizing the upcoming mini-MTTS Programme to be organized at IIT Bhilai during 07th-12th March 2022.

Dear Sir/Madam,

Greetings from IIT Bhilai

I am pleased to inform you that IIT Bhilai is organizing a mini-MTTS Programme (Initiation to Mathematics - InitMath) during 07th to 12th March 2022 under the aegis of the Mathematics Training and Talent Search (MTTS) Trust.

The programme is intended for B.Sc. 3rd year and M.Sc. 1st year students of Mathematics from the state of Chhattisgarh and aims to expose bright young students to the excitement of doing mathematics, to promote independent mathematical thinking and to prepare them for higher aspects of mathematics.

Currently, the online registration process for the programme is going on and the same shall be ending on 15th February 2022. The detailed poster of the event is attached herewith for your kind reference. It is a sincere request on behalf of IIT Bhilai that the Directorate of Higher Education may kindly extend its support in publicizing this programme to the various institutes in Chhattisgarh, so that it may have a widespread reach to a large number of students who may apply for the programme and get benefited by the same.

With warm regards and best wishes,

Yours sincerely,

07/02/2022

Prof. P. D. Srivastava
Visiting Professor and Head
Department of Mathematics
Indian Institute of Technology Bhilai

Initiation into Mathematics (InitMath)

March 07 – 12, 2022

Organized by

Indian Institute of Technology Bhilai

under the aegis of

Mathematics Training and Talent Search (MTTS) TRUST

Funded by: National Board for Higher Mathematics (NBHM)

MTTS TRUST

mtts.org.in

iitbhilai.ac.in

BACKGROUND

The Mathematics Training and Talent Search (MTTS) programme is one of the most popular and significant training programmes in India. This programme has been running since 1993 and has made an impressive impact on the mathematical scene in the country. We receive a large number of applications from all parts of the country, but due to limitation of resources and seats, lot of deserving students do not get a chance to participate in main camps of the MTTS. In order to provide opportunities to a large number of students at regional levels, an **InitMath** (also known as mini-MTTS) programme has been initiated and runs on the same line of the main MTTS.

MTTS DURING PANDEMIC

Due to the unprecedented situation created by the pandemic, the MTTS Trust has added a new dimension by conducting its programmes online and adding new programmes like online foundation course in mathematics, online short courses in mathematics and open mathematics forums since May 2020. In spite of some initial apprehensions, these programmes were held successfully without compromising the methodology and interactive nature of MTTS.

AIM OF THE PROGRAMME

The aim of the programme is to expose bright young students to the excitement of doing mathematics, to promote independent mathematical thinking and to prepare them for higher aspects of mathematics.

IMPORTANT DATES

Online application starts on: January 25, 2022.
Last date for online application: February 15, 2022.
Date of publishing selection list: February 20, 2022.
Programme dates: March 07–12, 2022.

ACADEMIC PROGRAMME

Three fundamental courses in Mathematics will be taught by highly experienced faculty in MTTS teaching methodology.

The aim of the instruction is not to give routine lectures but to stimulate the participants to think and discover mathematical results on their own.

ORGANIZERS

Programme Director: Prof. S. Kumaresan, Hyderabad
Co-ordinator: Dr. Anit Kumar, ICT Mumbai

ELIGIBILITY AND SELECTION

B.Sc. 3rd year and M.Sc. first year students of Mathematics from the state of Chhattisgarh.

The programme will be conducted in person with limited number of students following the COVID guidelines.

The selection will be on merit, based on consistent and good academic records and recommendation by a mathematics teacher.

Interested students can apply online by accessing <https://mtts.org.in/programme/init-math-2022-cg>

The recommending teachers also need to submit their recommendation online before the deadline.

The list of selected candidates will be posted on MTTS website along with necessary guidelines. Participants will be provided with food and lodging during the programme along with sleeper class train/bus fare.

ABOUT IIT BHILAI

Indian Institute of Technology Bhilai was established in the state of Chhattisgarh by Ministry of Human Resource and Development in the year 2016. IIT Bhilai is presently housed in its transit campus at Government Engineering College (GEC) Raipur, Chhattisgarh. IIT Bhilai family includes more than 700 students, faculty and staff.

ABOUT THE MTTS TRUST

MTTS-TRUST is a non-profit educational trust. The primary object of the trust is to organize all activities under MTTS umbrella and any other training camps as deemed necessary or important for the country to keep its eminence in higher mathematics. If you wish to contribute to MTTS (financial or otherwise), please get in touch with us.
