Certificate

This is to certify that-

1. The data provided in 2015-16 is 1150, but the data template figure 1139 does not match, because 11 students have been issued transfer certificates for different reasons. Thus, the final data 1150 should be considered. This number includes total number of students of the HEI
- 2 & 3 Since the enrolment number is unique for a student, thus to avoid the disparity we are providing the college ID number, which has been uploaded.
4. The year wise list of students approved by the competent authority has been uploaded.
